**BIBLE**  
READING PLAN

## Tips

- **Prayer:**
  - Pray before you read. It can be a simple prayer if necessary. Something like, “God please reveal your will to me today by helping me understand what I’m reading. Allow it to change me from the inside out.”
- **If you miss a day:**
  - You’re probably going to miss a day or many. Don’t worry too much about it. If you miss several days in a row, just pick up where you should be for the present day. Nobody is checking in on you or looking over your shoulder.
  - Don’t try to cram several days into one reading. Again, feeling the need to check off every single box probably says more about you than it does this reading plan.
- **Time & Setting:**
  - Morning, evening, or lunch time doesn’t really matter. My favorite time is first thing every morning. Whatever works better for you. There’s no secret sauce.
  - It is probably a good idea to be in a well lit and quiet atmosphere. You want to be able to stay awake and be free from distractions (yelling kids, needy spouses, and nosey neighbors).

## To Journal or not to Journal?

- Don’t feel the pressure to journal your progress or revelations about what you read. Again, no one is checking in on you. That said, journaling can be a very positive way to remember what you have read and what God has shown you.

## The T.A.R.G.E.T. Method

- The T.A.R.G.E.T. Method of Bible study is a great way to get the most out of your Bible reading. This method can be done by mentally going through each step, however it is beneficial to use a journal if possible.
- Here’s how it works:
  - **T** (*which stands for TIME*)
    - Pick a time and location that allows for the most focus and least distraction.
    - Mornings work great if you can pull it off (a good rule of thumb is “Don’t go digital until you’re done”. Meaning try not to even look at your phone until after you’ve spent time in God’s Word.
    - For the night owls, the evening hours may be your best option. Pick a time that works for you.
  - **A** (*which stands for ASK*)
    - Spend some time in prayer asking the Holy Spirit to reveal the text to you.
    - You are the one doing the reading and it’s the Holy Spirit that does the illuminating and revealing.
  - **R** (*which stands for READ*)
    - Read the verse, passage, or chapter thoroughly.
    - Choose a portion of text that is manageable. Too short and you risk missing the larger meaning, too long and you risk missing the application for your life.
    - Following a Bible reading plan is helpful because it takes the guessing out of it and keeps you on schedule.
  - **G** (*which stands for GATHER*)

- Gather additional information by reading corresponding verses using a concordance, Study Bible notes, commentaries, and other biblical support material.
- What do you see in the verses you're reading? Who is the audience? Is there a repetition of words? What words stand out to you? What is the main lesson or theme?
- **E** (*which stands for ENGAGE*)
  - This is when God's Word becomes personal. Try to answer questions like: What is God saying to me today? How can I apply what I just read to my life? Are there any changes I need to make?
- **T** (*which stands for THANK*)
  - If God has revealed something to you during this time in His Word, write it down and pray about it. Thank Him for the time spent in His Word.
  - Take time to thank Him for His goodness in your life.
- Again, journaling isn't a necessity... choosing to read the Bible without journaling is still better than not reading the Bible!
